For Love of Country
Towns Salute Heroes on Memorial Day

• **Rochester Celebration**

The Town of Rochester kicks off their Memorial Day Services a day earlier on Sunday, May 30 beginning at 12:00 noon at the Daggett Memorial Square on Route 105 in the town center. The program will begin with a Salute to the Flag, "My Country 'Tis of Thee," an opening prayer, and a Memorial Day message.

Flowers and flags will then be placed at the World War I monument, the World War II monument, and the Calvin Daggett Memorial, after which the names of veterans will be read aloud. After the singing of "America the Beautiful," the parade will proceed to the Civil War monument in front of Town Hall.

A special reading of the Gettysburg Address will be done, and flowers and flags will be placed at the monument while veterans' names are read aloud. The group will also read the names of veterans listed on the plaques inside Town Hall for veterans of the Vietnam War and Desert Storm. The ceremonies will conclude with a rifle salute, taps, and a benediction. Town and state officials are expected to attend.

• **Mattapoisett Ceremonies**

Mattapoisett's Florence Eastman Post 280 American Legion will once again be sponsoring a Memorial Day service and parade this year on Monday, May 31 beginning at 1:30 pm in front of the Mattapoisett Public Library. A program featuring keynote speaker Captain Adrian Lonsdale, USCG (retired), will commence at that time with the Pledge of Allegiance and opening remarks from American Legion Post Commander John N. DeCosta.

Services will continue with a prayer from Chaplain Michael Lamoureux, "Old Hammondtown March" performed by the Old Hammondtown School Band, addresses from Senator Marc Pacheco and State Representative William Straus, "America (My Country 'Tis of Thee)" performed by Old Hammondtown School Band, the reciting of the Gettysburg Address by Old Rochester Regional Junior High School eighth grader Maddie Ellms, "American Patrol" performed by the Old Hammondtown School Band, keynote speaker Captain Lonsdale, and a performance of "The Star Spangled Banner" by the Old Hammondtown School Band will conclude the service.

Two months after his seventeenth birthday, keynote speaker Adrian Lonsdale enlisted on January 4, 1945 and became a third generation member of the U.S. Coast Guard. He graduated as an ensign from the U.S. Coast Guard Academy in New London, CT on June 2, 1950.

Captain Lonsdale's first assignment was as a deck officer on the Coast Guard Cutter *Winona* based in his hometown of Port Angeles, Washington. The *Winona* was assigned to ocean station duties in the Pacific Ocean during the Korean conflict. From the *Winona*, Captain

Lonsdale became Operations Officer on board the Boston-based Cutter *Sebago* conducting ocean station duties in the Atlantic Ocean. The next assignment was isolated duty as Commanding Officer at the Coast Guard Loran Transmitting Station on Attu Island in Alaska.

After stints as a First Coast Guard District Search and Rescue Controller and as Executive Officer to the Captain of the Port in Boston, Captain Lonsdale assumed command of the Coast Guard Cutter *General Green* based in Gloucester, MA in 1959. The cutter engaged in search and rescue law enforcement duties off the New England coast.

After the *Green*, Captain Lonsdale served four years as Press Officer at Coast Guard Headquarters in Washington, DC. From there, he attended the Armed Forces Staff College in Norfolk, VA. In 1966, he took command of the Coast Guard Cutter *Vigilant* based in New Bedford. The *Vigilant* conducted search and rescue law enforcement missions off the New England coast. In addition, it was assigned patrol duties north of Cuba, picking up Cuban refugees fleeing their country.

While his wife, Jane, and three children, Darcy, Karl and Ross, remained in Mattapoisett, Captain Lonsdale underwent survival and language training in California and transferred to Phu Quoc Island in Vietnam in 1968. Captain Lonsdale, then a commander, became Task Group Commander of the U.S. Navy and Coast Guard forces engaged in naval operations along the west

On the cover: Captain Adrian Lonsdale, a retired member of the United States Coast Guard, will be the keynote speaker at the town's annual Memorial Day services to be held on Monday, May 31 beginning at 1:30 pm in front of the Mattapoisett Public Library. Marion and Rochester also have celebrations and special events planned for the holiday weekend. (Photo courtesy of Mattapoisett/Rochester Veterans Office),

coast of Vietnam. He was also assigned as the Senior Navy Advisor to the Vietnamese Navy Commander of the Vietnam Fourth Coastal Zone. For his 13 months of service in Vietnam, Captain Lonsdale was awarded his highest honor, the Legion of Merit with Combat "V."

After returning to the United States, Captain Lonsdale did tours of shore duty in Hollywood and Washington, DC. Upon promotion to captain, he was assigned as Commanding Officer of Coast Guard ice breakers doing duty in the Great Lakes and the Arctic. He retired in 1978 from his position as Group Commander in Portland, ME. After retirement, Captain Lonsdale sailed for 12 years in the U.S. Merchant Marine. Eight of those years were as Relief Captain of the University of Rhode Island research vessel *Endeavor*. He presently is a part-time instructor at Northeast Maritime Institute in New Bedford, where he was once owner and CEO.

Immediately following the services, the Memorial Day Parade under Marshall Michael Lamoureux will form in front of the monument at the library on Barstow Street. The parade will proceed down Barstow Street, heading north to Church Street, right to Water Street, west on Water Street to the Town Wharf for a memorial salute to "Men Lost at Sea," west on Water Street to Main Street, Main Street to Acushnet Road and Cushing Cemetery.

After the Memorial Day exercises, the parade will be dismissed at the American Legion Hall on Depot Street where refreshments will be served to the marchers by members of the American Legion Post 280 Auxiliary.

The Memorial Day Committee would like to thank the New Bedford ROTC, the Old Hammondtown School Band, Captain Adrian Lonsdale, Senator Marc Pacheco, Representative William Straus, Maddie Ellms, all marchers, and the Veterans Services in Mattapoisett for making this ceremony possible.

• Marion Services

Members of the Benjamin D. Cushing 2425 VFW and its Ladies Auxiliary will meet at 9:30 am on Sunday, May 30 at the Marion Methodist Church parking lot on County Road. All area veterans are invited to join them in a memorial service at the Marion United Methodist Church beginning at 10:00 am. Following the memorial church services, a wreath laying ceremony at the Civil War monument at Evergreen Cemetery will be conducted.

On Monday, May 31, the Memorial Day Parade and Observance in Marion will kick off from the Music Hall on Front and Cottage Streets at 9:00 am. All units will be in parade formation no later than 8:45 am.

The Memorial Day Observance will commence with the raising of the colors by the Benjamin D. Cushing

Post 2425 VFW, with the National Anthem played by the Portuguese-American Band. After a short ceremony at the Civil War monument, the parade will proceed as follows:

- South on Front Street to Main Street, turn west on Main Street then north on to Spring Street for a brief ceremony at the Marion Town House.

- After the ceremony at the Marion Town House, the procession will continue north on Spring Street to Old Landing Cemetery for a ceremony at the gravestone of Benjamin D. Cushing.

- The parade will continue through Old Landing Cemetery, north onto Mill Street to Ryders Lane, east on Ryders Lane to Old Landing Memorial Park for ceremonies at the World War I, World War II, Korean, and Vietnam monuments.

- The parade will continue south on Front Street returning to the Music Hall.

Refreshments will be served immediately following disbanding at the Band Stand field on Front Street. In case of rain, ceremonies will be held inside the Music Hall at 9:00 am. All area veterans are invited to participate, in uniform or not.

"Unsung Heroes"

Sixth Annual Wanderer Keel Awards

By Kenneth J. Souza

The Wanderer is pleased to announce the recipients of their Sixth Annual Keel Awards, a special recognition given to one person in each town within our circulation area who freely volunteer their time and effort to better their community. The winners were selected from a pool of nominees suggested by our readers and finalists were whittled down by our editorial staff.

The requirements are simple. Nominees must be legal residents of Mattapoisett, Marion, Rochester, Acushnet, or Fairhaven (at least five years), and must

have contributed in some way to the overall benefit of the community — either directly to town residents, or indirectly through efforts in promoting town activities, or working to keep the wheels of local government well-oiled. The only restriction is that these persons cannot benefit from their efforts in any way — either financially or politically (hence, sitting elected officials are not eligible).

Like the keel of a ship which keeps the vessel from capsizing, the recipients of the Annual Wanderer Keel Award will be recognized for their stalwart efforts in keeping the community on an "even keel." So please join us in saluting and honoring the following 1999 recipients of the Sixth Annual Wanderer Keel Awards:

• **MATTAPOISETT - Clara Morgan, 19 Main Street.**

A woman with seemingly boundless energy, Mattapoisett's Clara Morgan is the epitome of a small town hero. Having given of her time and energy to educate students for over 50 years, she may have since retired from her vocation but still remains active in community events. In the past she has marched in parades with her Girl Scout Brownie troop, has served on the Mattapoisett School Committee, and even played a role in the special centennial holiday show staged by Center School last year in which she, appropriately enough, portrayed a traditional one-classroom schoolhouse teacher.

A longtime Mattapoisett resident who moved to town in 1945, Ms. Morgan worked for schools in Oakdale, MA, West Hartford, CT, and even nearby Sippican School in Marion — but her true devotion remained with the children of Mattapoisett, where she taught for the past 33 years.

Nominated by longtime residents Mable and Allan Vaitses, Ms. Morgan will always be considered Mattapoisett's great teacher.

Past Mattapoisett recipients of this honor include: Maurice "Mudgie" Tavares (1994); Priscilla Alden Hathaway (1995); Norma Holt (1996); Gale Hudson (1997); and Kenneth Stickney (1998).

• **MARION - Olive E. Harris, 62 Front Street.**

Sadly, Marion's Olive Harris is the first person to ever receive the Wanderer Keel Award posthumously. But her longtime devotion to the Town of Marion and her affable and easy-going nature made her an early and ideal candidate for the honor back in January when a group of residents sent a powerful and touching tribute to her as she struggled with an illness that eventually took her life.

Praised as an originator and an early and ardent

supporter of environmental protection, Ms. Harris founded the Marion Tree Committee which sponsored the planting of street trees and funded programs to enhance Sippican School's natural sciences curriculum. She also was the visionary who established the beach grass planting project at Silvershell Beach, was the first chairman of the town's Open Space Committee, oversaw the research and writing of the Marion Open Space Report, and was one of the first to work on the land banking issue in Marion.

A longtime member of the tri-town League of Women Voters, Ms. Harris also served as president of the LWV, and was a major proponent of the town's first recycling initiative. Her constant devotion to the planting of trees in Marion was a major reason the town earned the designation, "Tree City, U.S.A.," and spent countless hours of her own time planting beach grass and native flowering plants to help beautify the town she loved so much.

In a letter to *The Wanderer* back in January, resident Kay Reis wrote: "Of the many citizens who, over the years, have thought, planned, and worked to establish and maintain the beauty of the town, we would like to express our gratitude to (Olive Harris)." Appropriately enough, a new tree will be planted and dedicated in Olive Harris' memory in front of the Marion Music Hall.

Past Marion recipients of this honor include: Claire Russell (1994); Ralph and Phyllis Washburn (1995); Annie Giberti (1996); Jay Crowley (1997); and Tyler

Animal Advice Jay Gould, DVM

LYME DISEASE

My dog gets lots of ticks. Will he get Lyme disease?
Lyme disease is caused by a bacteria and is transmitted by ticks. Unfortunately, Lyme disease is common in this area.

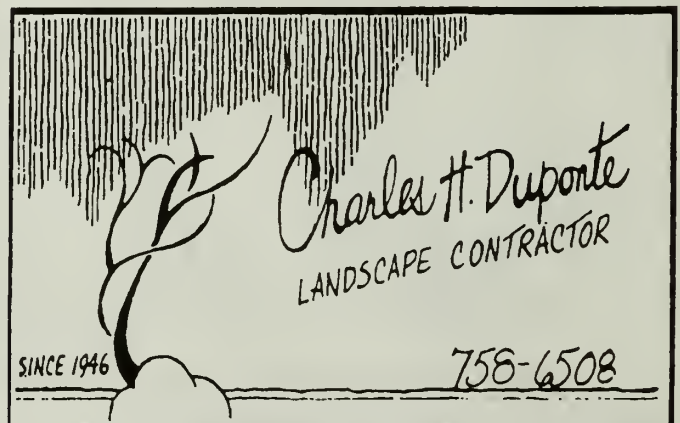

What signs will my dog show?

The most common sign associated with Lyme disease is lameness, often associated with fever. Many dogs show signs, while others are intermittently lame.

Is Lyme disease preventable or treatable?

Yes to both. Vaccines are available for dogs that are fairly effective in preventing Lyme disease. If your dog gets Lyme disease, it can usually be cured by treatment with antibiotics.

Dr. Gould can be reached at the

Mr. Lionberger was recently given dual honors from his hometown when he was presented with the Boston Post Cane as the town's oldest citizen and had the 1998 Annual Town Report dedicated in his name. He was a founding member of Alewives Anonymous and a member of the Men's Brotherhood, and is an avid fisherman and supporter of local land conservation efforts.

Together, the couple has often worked to provide musical entertainment to senior citizens and nursing home residents in the local area as part of the musical group, *The Woodchoppers*.

In nominating Ms. Lionberger for this honor, Deborah Jean Rose of Wareham wrote: "Ms. Lionberger is a person I truly respect. She is a very dedicated individual and should be recognized for service to her community."

Past Rochester recipients of this honor include: Joseph McCarthy (1994); Jean Fennell (1995); Katherine Hartley Church (1996); Chris Byron (1997); and Albert Alderson (1998).

Unfortunately, there were no nominees submitted from the towns of Acushnet and Fairhaven this year. Residents are strongly encouraged to nominate people from their community for next year's awards. Past recipients from Acushnet have been Marv and Mary Allison (1996); William Murphy (1997); and Irwin Marks (1998). Past Fairhaven recipients were Christopher J. Richard (1996) and Nancy Perry (1997).

Mattapoisett Selectmen's Meeting

May 25, 1999

By Kenneth J. Souza

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, May 25 at 7:00 pm by Chairman Paul E. Lambalot. Also present were Selectman Barry Denham, Selectman Raymond H. Andrews, and Executive Secretary Carol Adams.

After unanimously approving the minutes of the May 18 meeting, the board met with Harbormaster Steve Mach and Robert H. Atkinson, Chairman of the Marine Advisory Board (MAB), to discuss proposed changes to the town's Wharf, Mooring and Anchorage Rules and Regulations. First, Mr. Mach and Mr. Atkinson requested the definition of "inner harbor" be defined as a line between Ned's Point and the butterfly house westward to one drawn between Ned's Point and the Andelman house immediately east of Mansfield's pier. The board unanimously approved the amended definition.

Then, a major bone of contention was raised when the MAB suggested that water skiing be prohibited from the newly-designated inner harbor to free up space for additional moorings. "We have about 142 people on our mooring waiting list," Mr. Atkinson said. "It was our feeling we could create a second channel and fit 75 to 100 moorings in that area. There are very few harbors like ours that allow water skiing in the mooring area."

"There's only a certain amount of room (in the harbor)," Mr. Mach agreed. "It comes down to: who do we accommodate? It's pretty much a trade-off. Is it a good trade-off? It seems like it is if you look at the number of people waiting for moorings."

But many residents were vehemently opposed to

this move, claiming that they would like to retain the existing harbor space for water skiing. They were also concerned that additional moorings would increase problems with traffic and make it even more difficult to remove boats during an emergency storm situation.

"I hope this is not being considered so we can add additional moorings to the harbor," wrote resident Sue Hottel in a letter to the board. "What a terrible mistake it would be to add to the potential for pollution, congestion, and storm-related problems. Please think long and hard before altering the charm of Mattapoissett and its harbor."

After hearing the many concerns of residents who were present for the meeting, the board agreed they wouldn't take action on this matter immediately. "I'd like to see the (mooring plan) plotted out and laid out before I make a decision on this," Chairman Lambalot said. "I'd like to see how it will affect the area before I vote on this."

Some of the half dozen or so residents present to challenge this issue also were upset that more ample notification wasn't given before the meeting. "You've obviously been notified ... you're here tonight," Selectman Denham said. "Because of your concerns, we've decided not to make a decision tonight."

Another major sticking point seemed to be that the additional mooring space which will be opened up wouldn't be restricted to town residents. Mr. Mach said that state law precludes them from restricting access to the harbor from anyone. "Most of the people who are on

the mooring waiting list own property in town," he said.

The board suggested that residents attend the next meeting of the Marine Advisory Board on Thursday, May 27 at 7:00 pm in the Town Hall Conference Room to discuss this matter further. "We'll try to come up with a solution that pleases everyone," Chairman Lambalot said. "I know my kids have water-skied in Mattapoissett Harbor and I'd hate to lose that."

Also upon recommendations from the MAB, the board voted to:

- Amend the wording regarding the assignment of new moorings (5.4.5) to ensure that there are no outstanding fees due to the town from the applicant; and
- Amend section 8.7.1 regarding the public access ramp so that the facility is closed from 10:00 pm to 5:00 am and allow the Police Department and/or

Harbormaster's office to issue a special permit for those hours as needed. Though the board cannot restrict the public's use of this state-funded ramp, they can limit the hours of operation.

"The other morning there was a line of cars honking down Water Street at 12:30 am trying to get to the launch ramp," Chairman Lambalot said. "That's what prompted this action."

At 8:00 pm the board met with Mark Goddu of the Mattapoisett Inn to get an update on plans for the facility's 200th birthday celebration on June 27. Mr. Goddu first requested permission to close off Water Street from the driveway near his establishment to the east side of Barstow Street during the day-long celebration, from 11:00 am to 9:00 pm. The board unanimously granted this request.

The board also granted a license to Mr. Goddu to serve alcohol — as previously approved by Town Meeting voters — from 12:00 noon to 7:30 pm on June 27; and they granted permission for Mr. Goddu to bury a three-foot tall stainless steel time capsule in Shipyard Park as part of the festivities — all costs of which Mr. Goddu will cover.

"Everything is going well," Mr. Goddu said of the celebration. "We're going to have musical groups, magicians, food, beer and wine, and we'll get two buses from SRTA to bring people down to the park from remote areas of town."

Upon recommendations from the Police Chief

and Fire Chief, Mr. Goddu said he will be hiring at least two firefighters and three police officers to remain on duty throughout the day.

In other matters, the board:

- Voted to approve a one-day Wine and Malt License to Satoot Gurney for festivities in Shipyard Park on June 27.

- Granted a Hawkers and Peddlers License to Ralph Cathcart for the sale of firewood on County Road.

- Sent a letter of appreciation to Howard Mallows for his past service to the town as a member of the Conservation Commission (ConCom).

- Noted that the next forum overview of the expansion and renovation project at Old Rochester Regional High School will be held on Thursday, May 27 at 7:00 pm at Rochester's Memorial School.

- Received notification from Firefighter Mary Redman that the Mattapoisett Fire Department is hoping to establish a Fire Service Camp this summer. The program will provide knowledge and create interest in possible careers in the fire service and related fields. The two-week program will run Monday through Friday and target young adults, ages 16 to 18.

Ms. Adams also confirmed the following "summer schedule" for Selectmen's meetings beginning in June: they will meet on June 1, June 15, June 29, July 13, July 27, August 10, and August 24. Regular weekly meetings will resume in September.

Marion Selectmen's Meeting

May 25, 1999

By Ilana L. Mackin

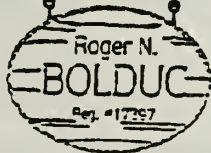

A regular meeting of the Marion Board of Selectmen was called to order on May 25 at 7:00 pm by Chairman Loretta B. Schaefer. Also present were Selectmen Albert E. Winters, Selectman Jonathan "Jody" Dickerson, and Secretary Helene Craver. Town Administrator Ray Pickles was not present for the meeting.

Chairman Schaefer opened the meeting with the signing of treasury warrant #48 — which includes the weekly payroll and regular bills paid out by the town — and the approval of the minutes from the May 18 meeting.

Under incoming correspondence for the week, the board received notification of the appointments to the Circulation Committee that were approved at the May 17 Planning Board meeting which included: Margie Baldwin, Anne Barrett, William Brennan, Molly Butler, David H. Hamilton, Hod Kenney, Joseph Keogh, Kenneth Litke, Eunice Manduca, Louise Nadler, John Rockwell, Loretta Schaefer, and George T.J. Walker

provide an overview of the ORR project is scheduled for Thursday, May 27 at 7:00 pm at the Rochester Memorial School.

The Massachusetts Department of Revenue's Division of Local Services notified the Regional School District Committee in a May 17 letter that in accordance with the provisions of Chapter 71, Section 16B1/2 of the Massachusetts General Laws, as amended by Chapter 580 of the Acts of 1988, the amount of unencumbered excess and deficiency funds/surplus revenue available July 1, 1998 for the Upper Cape Cod Regional Vocational-Technical School District is \$198,507.

Harbormaster Charles Bradley notified the board that the Massachusetts Division of Marine Fisheries has advised him that the seasonal closure of the Inner Harbor will go into effect on June 1, 1999. The closure includes an area on the west side of Marion Harbor from Black's Point to Allen's Point to Little Island to the dock at 57 Water Street. Official notification will be mailed shortly.

The Massachusetts Municipal Association (MMA) notified local officials that the Chapter 90 state-funded local road and bridge program is one of their highest priorities at this time. "Since 1994, cities and towns have received a yearly authorization for Chapter 90 projects of \$150 million per year," the letter stated. "Unfortunately, the transportation bond bill filed by Governor Paul Cellucci would slash the authorization level for the distribution of Chapter 90 funds for fiscal year 2000 to \$100 million per year, a 33 percent cut."

The MMA continued to express how hard they are currently working on this issue and submitted a kit to the town that included background and campaign materials to aid the municipalities in raising public

awareness on this issue.

The Southeastern Regional Planning and Economic Development District (SRPEDD) notified the board that the Joint Transportation Planning Group (JTPG) is the regional advisory group for all issues pertaining to transportation in southeastern Massachusetts and consists of representatives of the chief local elected officials from each of their 27 member cities and towns. SRPEDD asked each municipality to appoint or re-appoint its designee to the JTPG to serve a term commencing July 1, 1999 through June 30, 2000. Chairman Schaefer voted to re-appoint Ray Pickles so that he and other members could continue in their efforts.

At 7:20 pm in an unscheduled meeting before the board, William Brennan, Chairman of the Circulation Subcommittee, asked to discuss with the board some information that his committee wishes to share in response to a letter from Town Administrator Ray Pickles that proposed to include Point Road from Route 6 to Creek Road in the project design for the multi-use path. Mr. Brennan and the committee are ready to put all other projects on hold to proceed with this newly-defined single project as soon as possible, but have requested information pertaining to an exact time frame in which they will have to work, and to have a SRPEDD traffic survey completed.

With Mr. Pickles not present to respond, Chairman Schaefer was unable to get into the specifics of

the design process, but commented that it certainly makes sense to do the entire roadway at one time. "As soon as we receive this necessary information we will be able to start moving ahead with this," Mr. Brennan said. "If you accommodate us we'll be glad to accommodate you."

"There will not be any sort of short cuts taken on the public's involvement of plans for the future," Selectman Winters said. "The process worked and people had the opportunity to give their input and be taken into consideration and we will keep our commitment to continue that process."

With no other business on the agenda, residents were given the opportunity to address issues regarding a meeting held the previous night (Monday, May 24) with the Fire Department and Board of Fire Engineers. They discussed the strengths and weaknesses of the

department as it is structured today and the board asked Fire Department members to comment on how they see themselves moving forward in the future. No decisions were made on any matters concerning the reappointment of the Board of Fire Engineers or the selection of a new Fire Chief. Another meeting was to be held on Wednesday, May 26 to further discuss related issues with other companies in the Fire Department.

After a continued and heated debate at 7:30 pm over the interpretation of the "plan" that was presented to voters and brought before Town Meeting on the issue of the approved Bike Path along Creek Road, now referred to as the "Multi-Purpose Path."

It appeared to one resident that several voters were unclear on the issue. Selectmen, however, defended their actions and the democratic process taken, and explained that they tried in their sincerest capacity to make clear the intentions of the plan presented before Town Meeting voters that was approved. They agreed they should proceed with the project as it is necessary for the town to move forward to defray any further costs and deterioration of several roadways.

The board unanimously voted to adjourn for the evening at 8:05 pm.

Mattapoisett Track Club

Summer is coming soon ... and so is a new season for the Mattapoisett Track Club. Registration will be held on Wednesday, June 2 from 6:00 to 8:00 pm at Center School in Mattapoisett. You may also register on any night before practice at Old Rochester Regional High School. The season will run every Monday and Wednesday night from June 21 until August 11. Practice will begin at 6:00 pm and end at 8:00 pm. Membership fee is \$30 for one, and \$60 per family.

Once again, Geoff Smith will be head coach and will be running a pre-club work out for high school students. Anyone wishing to work out with Geoff should be at the track at 4:30 pm on Monday and Wednesday. The Mattapoisett Track Club is open to everyone in any town, whether child, high schooler, college student, or adult. If you have any questions, please call Mary Ann Amoruso at 758-3726.

Little Harbor Women's Golf

The Women's Golf Association of Little Harbor Country Club in Wareham played a Four-Ball Tournament on May 19. Three teams tied for First Place:

Kay Ladd, Anne Demers, Mary Ford, and Gail Sala; Diane Dwareskas, Gloria Barrett, Barbara Morse, and Linda Pittella; and Lori Mello, Ann DelGrande, Ruth Gorman, and Pauline Best. Closest-to-pin winners were Celine Sullivan on #1 and Marsha Eldredge on #11.

Golf Clinics

Free Beginner Golf Clinics will be held at the Dartmouth Sports Dome's new outdoor range. There are clinics for men, women, and juniors on Saturday from 12:45 to 1:45 now through July 31. Please call PGA Professional Brian O'Hearn at 991-3663, extension 16 to sign up.

Massachusetts Rough Riders

The Massachusetts Rough Riders will sponsor the following 1999 Western Horse Shows at Salty Dog Ranch on Crystal Springs Road in Mattapoisett. All shows start at 10:00 am, with sign-ups at 9:30 am. Entry fee is \$15. Regular Point Shows are as follows and will all feature Three Barrels, Hair Pin, and Texas Barrels competitions

Letter to the Editor

To the Editor:

The Marion Natural History Museum would like to thank the following: Fred Hutchings and Fred Medina for their help cleaning the salt water tank; Catherine Russell and students Russell Babbitt, Sharlene Fedorowicz, and David Beard for putting together our latest display, "What teeth can tell us about our diet"; Carl Leidhold for his help with the museum's computer; Mark Whalen and Sippican Corporation for donations of time and materials towards the museum's salt water tank.

Sincerely,
Elizabeth Leidhold
Marion Natural History Museum

JOINT SUPPORT POWDER

SUPERIOR FORMULATION WITH HYDROLYZED BEEF GELATIN, GLUCOSAMINE SULFATE & MSM

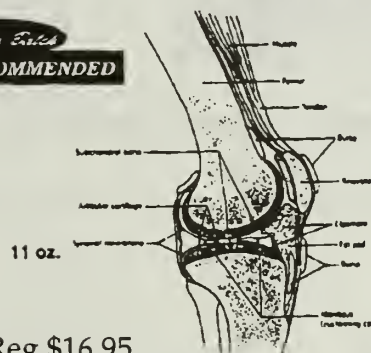

Gelatin powder has become one of the best selling nutrients in pharmacies and chain drug stores. New marketing campaigns have alerted consumers to the benefits of gelatin and specific nutritional support it provides. NOW Joint Support Powder is a quantum leap in nutritional joint support compared to plain gelatin powder.

Joint Support Powder is a superior combination of dietary supplements that have been shown to nutritionally support healthy joint and ligament function. Hydrolyzed beef gelatin is 86% protein, high in collagen, and has been enzymatically predigested to enhance absorption. It supports cartilage structure and joint mobility. Glucosamine Sulfate has been the subject of worldwide scientific research and provides structural components of healthy joints, ligaments, bones, and synovial fluid. Sulfate is the preferred form of glucosamine and is a natural source of potassium and sulfur. MSM (methylsulphonylmethane) is a biologically active form of organic sulfur found in all living organisms. It is naturally found in varying amounts in raw unprocessed milk, meat, fish, fruits and vegetables.

*This statement has not been evaluated by the FDA. This product is not intended to diagnose, treat, cure, or prevent any disease.

**TEN GRAMS OF
JOINT SUPPORT POWDER CONTAINS:**
Hydrolyzed Gelatin 8,500 mg
Glucosamine Sulfate Complex 1,500 mg
MSM 500 mg

in the curriculum, this design will make significant alterations to the existing building and grounds. ORR administrators and the architects will explain the education plan, population studies, renovations to buildings and grounds, and the timing of the proposed project. A request to fund the next phase of the design process is before Town Meeting voters this spring.

The meeting will be held on Thursday, May 27 at 7:00 pm at Rochester's Memorial School. There will be a question and answer session, and an opportunity to view drawings of preliminary plans.

FORM Meeting and Events

The next scheduled meeting of FORM (Friends of Old Rochester Music), the parent group supporting the music program at Old Rochester Regional Junior and Senior High Schools, will be on Tuesday, June 1 at 7:00 pm in the Teacher's Lunch Room at ORR High School.

On the agenda will be a discussion of upcoming spring concerts, including the Spring Pops Concert held on May 26 and the Chicken Pickin' Dinner/Concert to be held on Friday, June 4 in the junior high school cafetorium. There will also be an update on the Grand Piano fundraising campaign, which is currently approximately \$4,000 short of its goal. The Chicken Pickin' Dinner/Concert will feature a chicken dinner at 5:30 pm for a charge and a performance by the seventh and eighth grade choruses and junior high concert and

Stone Soup Day

On Saturday, May 29, the Community Resources Network (CRN) will sponsor its seventh annual Stone Soup Day. The folk tale, Stone Soup, tells of tired and hungry travelers who stop in a village where the villagers feel they cannot share their limited provisions with strangers. Instead, the strangers offer to make a soup of stones for them. The villagers begin to share a bit of salt and pepper, an onion, a carrot, or a potato. They learn when people are willing to share a little, there is enough to go around.

Area residents will have an opportunity to enrich the lives of their neighbors in need by depositing non-perishable food items at any of the five locations. From 8:00 am to 2:00 pm, volunteers at the Marion General Store, the Plumb Corner Market in Rochester, the Onset Village Market, and Jimmy's IGA, and Stop & Shop in Wareham by providing swift access to food, clothing, furniture, limited emergency fuel assistance, and referrals to social service agencies. CRN's motto is "Give and We'll Share."

School Informational Meeting

The Mattapoisett School Committee and the Old Rochester Regional Building Committee would like to invite all Mattapoisett voters to an informational presentation to be held at Old Hammondtown School on Wednesday, June 9 at both 4:00 pm and again at 7:30 pm.

So that you have the opportunity to be an educated voter at the polls on June 15, Mattapoisett residents are urged to attend. These sessions will be designed to inform about the different educational concerns facing local schools today and to explain the need for the operational overrides. There also will be the opportunity to understand the design plan for the Junior and Senior High Schools and to have explained the

MARKET DETERMINES PRICE

If you think the value of your home is determined by you or even the buyer - think again. Sellers will normally assume it's worth more than it is and most buyers will understandably attempt to "low-ball" the value. The best selling price is determined by the location and the current market. An overpriced house sitting on the market for months becomes very difficult to sell at that price. So first, you must get in line with the market. That means a realistic valuation. Nobody - but nobody - is more aware of the current housing mar-

ket than our agency. We can bring our own appraisal expert or even a team of salespeople who will individually price your home and then reach a fair consensus. Also, you can hire a qualified independent appraiser to get an "arms length," objective valuation. This carries a lot of weight during negotiation.

Your price should include curtains, draperies, refrigerator, air-conditioners, dishwasher, built-ins. It's a better package deal and may hasten the sale.

**BUYERS BROKER
AVAILABLE**

In Center on June 17. Please call for an appointment.
55 Alive

There are still some spaces available for the 55 Alive driving course. Please call 748-3570 to reserve your space.

Fun Thursday!

The COA van will be going to various restaurants, malls or the movies as part of the COA's Fun Thursday! Do you have a fun place you'd like to go? The COA is open for suggestions. Please call 748-3570 for a reservation to join them on Fun Thursday!

Whist

Whist is being played at the Senior Drop-In Center on the second and fourth Tuesday of every month at 1:00 pm. Come join the fun! Everyone is always welcome. A small fee of \$1 will be charged.

Soup Labels

Campbell's Soup labels are still being collected at the Senior Drop-In Center to help support Sippican School.

Friendly Visitor

Would you like a friendly phone call or know someone who would? The Marion COA now has a friendly visitor. Lillian Daukewicz is available on Tuesday and Thursday for a friendly chat or visit.

Rochester Memorial Day Boat Race

The Rochester Memorial Day Boat Race on the Mattapoisett River will take place on Monday, May 31 starting at 8:30 am from Grandma's Hartley's Reservoir on Snipatuit Road in Rochester and finishing at the Herring Weir on Route 6 in Mattapoisett. The race is open to persons of all ages, with a two person limit per boat. There are divisions for men, women, junior boys, junior girls, co-ed, and a parent/child division (child to be under 14 years of age). Junior division teams are both contestants under 14 years old.

The Boat Race Ham and Bean Supper will be served on the Saturday evening of Memorial Day weekend, May 29, from 5:00 to 7:00 pm at the Rochester Memorial School. Tickets for the supper may be purchased from boat race contestants or at the door. Proceeds from the supper, along with donations collected Memorial Day, provide money for the prizes.

Trophies and prizes will be awarded Memorial Day at the Rochester Memorial School beginning at 7:30 pm. For further information on the race, please contact Boat Race Chairman Arthur F. Benner at 763-2024.

Ask The Chiropractor

BAHAMA HOUSE CHIROPRACTIC

DO PEOPLE SHRINK AS THEY AGE?

Q As people grow older they seem to get shorter. Is this an illusion or does it actually happen?

A Due to spinal disc degeneration as we age, most of us eventually lose anywhere from one half inch to two inches from our full height.

It's the discs that cushion adjacent vertebrae from one another. They average about one half inch in thickness and make up about 25 percent of the spine's height.

Made of highly-specialized tissue, discs are about 90 percent water in babies. They begin to degenerate very slowly about age 20. By age 70, a disc's water content is down to about 70 percent and, as a result, the discs have flattened considerably. As the discs flatten, the spine becomes shorter and so does its owner.

EXERCISE HELPS

Discs generally retain their fluids longer when the spine gets sufficient exercise. Spinal movements—bending, swaying, twisting—squeeze spinal fluids in and out of the discs like a squeezed sponge. This helps discs retain their flexibility even into old age. That's one reason regular exercise contributes to spinal health. Regular chiropractic care also helps the spine and its discs retain flexibility and vigor.

Flare Demonstration in Marion

Many boaters carry Coast Guard approved flares to meet federal requirements for visual distress signals, but have never actually used one. So that boaters can learn how to use these signals before an emergency arises, there will be a flare demonstration at Silvershell Beach in Marion on Monday, June 14 at 7:00 pm. The rain date will be June 28. This exercise, sponsored by Marion Harbormaster Charles Bradley and the Marion Flotilla of the United States Coast Guard Auxiliary with the cooperation of the Marion Fire Department, will give boaters an opportunity to try their hand at firing off different types of pyrotechnic signalling devices.

The public is reminded that the use of pyrotechnic devices for other than an emergency or an authorized training session is a violation of federal law and can lead to arrest and a fine or imprisonment.

Boaters who have expired flares may turn them in at the Marion Harbormaster's Office before June 14 for use in the demonstration.

Driver Education at ORR

Enrollment for the next Driver Education class at Old Rochester Regional High School is now taking place. Due to a change in state law, a student must be at least 16 years of age on or before June 28 in order to enroll in the class. Students from ORR will be given first available seats as the program is school-sponsored.

Please call the high school (758-3745) for more information. Registration period ends Monday, June 21. The class will be scheduled to begin on Monday, June 28 and classes are held on Monday and Tuesday in Room B-123 at the high school from 6:30 to 8:30 pm and run for seven weeks.

Class charge for residents is \$35. Driving hours for residents is \$110. The class and driving hour charge for

ORR Survival Experience

Once again, many of the Old Rochester Regional Junior High School seventh graders are preparing for the annual Survival experience which is the culmination of their seventh grade Health-Science Curriculum. This year the trip will begin on Sunday, June 13 and continue through Saturday, June 19.

This will be the 27th annual happening of this well-known experience. It is estimated that over those 26

previous years and including those who plan to participate this year, there will have been approximately 2,600 "survivors" who have completed the week-long outdoor experience. Many have returned through their high school and college years as chaperones. It has truly become a community-supported program among the tri-town area.

In continuing that support, as you begin your spring cleaning and come upon an unused backpack or tent (in good condition) or any other unwanted camping gear, the Survival Advisory Board would greatly appreciate donations of any kind. These donations help to ensure that all of the participating young people have the means to do so. Additional support for the program is

Benefit at Tabor Academy

Tabor Academy students in Marion will be coming together for some ice cream and music in an effort to help feed the hungry. The secondary independent school in Marion will take part in "Empty Bowls," with an ice cream fund-raiser beginning at 8:00 pm and continuing until 11:00 pm in the Johnson Dining Room of Lillard Hall on Saturday, May 29.

Students will gather to hear the music of recording artists The Dancing Dogs, whose music is a unique blend of ska, rock and alternative beats with a horn section that can rock the universe.

As part of the \$8 admission to the event, students will be given hand-made bowls made by ceramics students under the direction of their instructor, Robert Mogilnicki, Kathleen Brophy, and Amy Linn. Students will take the bowls home as a reminder that, for many people, food is not plentiful.

The first goal is to raise as much money as possible to feed the hungry people in the region. The second objective is hunger education/awareness. The third objective is art education. The language of art circumvents the boundaries of all other languages to

touch our souls. Through education, awareness, and actions on the part of concerned individuals, the group believes they can bring about an attitude that will not allow hunger to exist.

Last year the project at Tabor Academy provided \$16,950 worth of food for those families and children in need. The proceeds were given to the Rhode Island Community Food Bank, which also services southeastern Massachusetts.

"Empty Bowls" is an international project aimed toward directly combating hunger by raising funds and awareness of the problem. This year the proceeds will benefit the Market Ministries Homeless Shelter in New Bedford. For more information, please contact Robert Mogilnicki at 748-2000, extension 2265 or 748-1491.

pastels, and tapestries. The show reveals a breakthrough in the combined efforts of tapestry and painting as related art forms. Her "brush and palette" approach to the construction of her woven work introduces a new technique to the art. The designs are unusual and bold. Much of the work is inspired by nature. There is a progression from detailed studies of individual flowers to an abstract world of personal fantasy paintings.

Barbara Heilmann Levine was born and educated in New York City. After completing studies at Parsons School of Design and The School of Visual Arts, she traveled and painted throughout Europe. Exhibitions of her work in galleries and museums have received several first prizes and critical acclaim. Commissioned works are on permanent display in Boston, Springfield and Amherst. She also designs tapestries, paintings, stained glass windows, and wrought iron chandeliers for private homes. She has taught painting, weaving, and design from her private studio in Amherst, MA and also in workshops at various colleges.

The exhibition will be on display in both galleries of the Marion Art Center through June 2. Gallery hours are: Tuesday through Friday, 1:00 to 5:00 pm; and Saturday, 10:00 am to 2:00 pm. Admission is FREE.

Senior Driving Course

The Marion and Mattapoisett Councils on Aging are presenting the American Association of Retired Persons (AARP) 55 ALIVE mature driving course. This will take place on June 21 and 22 from 10:00 am to 2:30 pm at the Mattapoisett Council on Aging Senior Center, Route 6 in Mattapoisett. The cost for the two-day classroom refresher course is \$8. Space is limited. For reservations, please call the Marion COA office at 748-3570 or the Mattapoisett COA office at 758-4110. Please bring a brown bag lunch, drinks will be provided.

ORR Music Seeks Piano

Old Rochester Regional High School's Music Department is in desperate need of a new grand piano. Presently, the school ensembles are utilizing a Soemer, purchased some 40 years ago when the school was built. Over the years the piano has slowly lost its magical sound. It is now in need of much more than just a quick tune-up. It is imperative that the piano be replaced, not just repaired.

Friends of Old Rochester Music (FORM), an organization consisting of parents and faculty both at the junior and senior high schools is currently undertaking a large campaign. Their goal is to purchase a new Kawai Grand Piano by June, 1999. The total cost will be \$21,000. The school has budgeted \$8,000 and FORM purchased the three legs of the piano at \$500 each. They anticipate raising \$11,500 through generous donations and fund-raisers by student musicians.

The annual April Junior and Senior Jazz Night brought in \$700 towards the goal. Other fund-raisers are being planned. So far, they are three-quarters to their goal, or \$5,000 short. The "Buy A Key" plywood piano, made by the ORR music students and anchored to ORR's front fence reflects their progress to date.

If you are an advocate of the Music and Drama Departments at ORR, please think about donating a sum of money toward this large investment. This instrument is essential to help ensure that the music programs will continue to be a top priority and that it will help provide enjoyment for many years to come. If you are interested in contributing and would like to "Buy A Key" (or a string, hammer or pedal), or need more information, please call Dede Smith at 758-3487, or you can send in your check, made payable to FORM, to: Mr. Stephen Rogers, Old Rochester Regional High School, Marion Road, Mattapoisett, MA 02739.

Mattapoisett Firefighters' Scholarship

The Mattapoisett Firefighters' Auxiliary is now accepting applications for their annual scholarship. Applicants must be a child of a Mattapoisett Firefighter or Auxiliary member, and is also available to Mattapoisett Firefighters and Auxiliary members along with respective spouses or stepchildren.

Applicants must have completed one year or equivalent in a school of higher learning, or if a one-year school of advanced learning is contemplated, the award will be made upon the successful completion of the first three months of schooling. Applicants must be a town resident for at least one year.

Applications may be obtained by calling either Gail Nicholson (758-9064) or Jennifer Scott (758-2355). The deadline for submitting applications is May 31, 1999. Please mail completed applications to: Mattapoisett Firefighters' Auxiliary, P.O. Box 853, Mattapoisett, MA 02739.

Millicent Library - Fairhaven

Online Database

The Millicent Library announces the arrival of a new online database available through the library's internet connection. "SIRS Researcher on the Web" provides instant access to thousands of full-text articles and graphics on social, scientific, health, historic, economic, business, political, and global issues. The database was developed to meet the day-to-day research needs of everyone — from young people to adults. Teens and adults may access the "SIRS" database by signing up to use the library's internet computer.

For library patrons with home computers and a valid library card from their public library, it is also possible to access a new database from home called "SEARCHBANK." All you have to do is go to the following address: http://www.searchbank.com/searchbank/mli_n_s_remote, and type in your library barcode. "SEARCHBANK" consists of four mostly full-text databases covering general reference, academic subjects, health and business. SEARCHBANK is available on the library's internet computer as well as at home.

The Millicent Library has been able to greatly expand the information services it offers with the arrival of internet databases. The staff is always happy to assist with questions.

Marion Natural History Museum

New Displays

Thanks to board member Katherine Russell and her students the museum now has a new display titled "What can teeth tell us about our diet?" This new exhibit explores the relationship between the shape and size of an animal's teeth and the kind of food they eat. Also, come and check out the new puppet theater featuring puppets from local woodland animals and birds!

After School Programs

The Marion Natural History Museum is once again sponsoring a series of After-School and Adult Programs focusing on some of the natural habitats in the tri-town area. The programs are geared toward the notion of learning by doing, as participants are taken on nature walks and field trips to study "life in the wild." Some of

- June 10 from 3:30 to 4:30 pm - After-School Program: Fingerprints! No two are the same! The alternating ridges and grooves on your hands and fingertips provide a unique and nearly indestructible pattern. There are three different kinds of fingerprints — which do you have? Come and count the arches, loops, and whorls! Learn how fingerprints are used to find criminals and identify children with biologist Katherine Russell.

For more information or to pre-register for any of these programs, please call the Marion Natural History Museum at 748-2098.

Smoking Cessation in Acushnet

The Acushnet Public Schools Health Advisory Council is sponsoring a FREE quit smoking workshop and hypnotherapy session to be held at the Ford Middle School on Thursday, May 27 at 7:00 pm. This session will be the follow-up session to a hypnotherapy session sponsored by the PACT Program to be held the previous Thursday in the Middle School at the same time.

The council planned the event to coincide with

MOVIE REVIEW

Forced Entry

BY ROB GONSALVES

local@wanderer.com

■ **Star Wars Episode I – The Phantom Menace.** Starring Liam Neeson, Ewan MacGregor, and Natalie Portman. Directed by George Lucas. Running time: 130 minutes. MPAA rating: PG. At Cinema 12 at the North Dartmouth Mall and Flagship Cinemas in New Bedford.

In case you hadn't noticed, it's *here*. After 16 years of anticipation, and at least six months of airhorn hype, *Star Wars Episode I – The Phantom Menace* has actually descended to Earth in physical form, lightly touching the faithful fans on their fevered foreheads ... Oh, and how is it as a movie? Bad. Very bad. Terrible, juvenile, tedious, empty. In that order. Does that matter? No. It's a new *Star Wars* movie, and it's *there*, and people will have to see it if only to be able to say they've seen it. Whether they'll be able to say they *enjoyed* it is another story.

After 22 years away from the director's chair, George Lucas has returned to it, in his first full-time gig behind the camera since the original *Star Wars*. He has also penned his first all-by-himself screenplay in 22 years. Taken together, the script and the direction are proof positive that Lucas should never again be allowed behind a camera or a keyboard. The dialogue is a medley of flat, cringe-inducing platitudes or lame stabs at humor. The action scenes go by in a hectic blur; the people scenes drag on into infinity. The most memorable performances are by computer-animated aliens — one of whom, the clumsy Jar Jar Binks, may entertain very small children but will send anyone over 12 into exasperated fits of eye-rolling.

The "story," such as it is, involves Queen Amidala (Natalie Portman), the future mother of Luke Skywalker, who wears Noh-flavored gowns and kabuki make-up; her chalky face is brightened with a crimson dot on each cheek and a dainty blood-red smear bisecting her bottom lip, as if the actress bit it to stay awake and bore down too hard. Queen Amidala refuses to sign a corrupt trade treaty, so the Trade Federation wants to persuade her. Enter Darth Maul (Ray Park), Mr. Persuasion. A horned, red-faced Sith assassin, Darth Maul has very little to do in the movie except look fierce and sell action figures and T-shirts.

The Queen's only hope is two Jedi Knights — the veteran Qui-Gon Jinn (Liam Neeson) and his apprentice Obi-Wan Kenobi

(Ewan MacGregor). They take her to Tatooine, where they encounter the nine-year-old prodigy Anakin Skywalker (amateurish Jake Lloyd), the future Darth Vader. There is a pod race, there are lightsaber duels, there is a computer-generated battle between computer-generated aliens and computer-generated battle droids. If you are easily impressed by special-effects whiz-bang, *Phantom Menace* may be your cup of adrenaline. But the consequence of the restless editing and the ceaseless CGI is an overall thinness. The movie has no weight, no *heft* — it's a giant CD-ROM version of itself.

The actors get lost in the design. Lucas makes a fatal error in placing the bland Jake Lloyd and the annoying Jar Jar Binks so centrally, while keeping fine actors Neeson, MacGregor, and Portman under his thumb. These actors look demoralized and bored, as if they knew that the thin air they're emoting with will be filled by the CGI critters Lucas really cares about.

Meanwhile, Lucas gives the crowd-pleasing Darth Maul a bare minimum of screen time and resorts to a lot of cheap jokes. What was he *thinking*? If *Phantom Menace* is meant to be the start of a fresh trilogy, and the genesis of the entire six-part *Star Wars* saga, it's an awfully shaky start.

George Lucas had the money and power to do exactly what he wanted to do in *Phantom Menace*, and that's the most depressing part: you stare at it and say, "This is what he wanted to do?" You'd hate to see a movie he *didn't* want to do. Or perhaps this is actually a movie he *didn't* want to do. Perhaps Lucas feels trapped in the universe he created — perhaps he resents having to go back to this well three more times. If so, he has no one to blame but himself.

the week of "World No Tobacco Day" (May 31) which is the day set aside to remember all the people who have died from tobacco-related illnesses throughout the world.

Jo-Anne Masson, RN, Health Coordinator for the Acushnet Public Schools, explained: "We have many students in the Acushnet Public Schools who live in households where there are smokers. The Health Advisory Council feels that it is important to help parents, caregivers, and other members of the community to try to stop smoking. The goal is twofold — to reduce secondhand smoke in children's homes and cars, thereby creating a healthier environment for them and to help smokers in the community avoid the tragedy of developing smoking-related illnesses."

Clay outdoor fireplaces that add a new exciting functional and aesthetic dimension to any outdoor activity. They bring the mystique of the fire and the beauty of clay together to create a relaxing ambiance for the patio or backyard. Keeps mosquitos away and provides a welcome warmth to any backyard outing!

Chimineas are large clay pots designed to be used as outdoor fireplaces. Originally used in Mexico as a primary source for cooking and heating, they have now become very popular outside of Mexico as decorative and very functional item for decks, patios, and all your outdoor relaxation.

Add a magical glow to your evening.

Actually, the two hypnotherapy sessions are part of a smoking cessation program called "Independence from Tobacco" designed by the PACT Program which serves the Boards of Health in Acushnet, Lakeville, Marion, Mattapoisett, and Rochester. The sessions will continue every Thursday night until June 3 at the Ford Middle School. "We have found through trying several different models that the smoker who participates in the full five sessions including the hypnotherapy sessions will have a significantly better chance of staying quit for the long term," said Judith Coykendall, Program Director.

She added: "It has been a pleasure working with the Acushnet Health Advisory Council to provide the combination of a support group with two successive hypnotherapy sessions to members of the community. This is collaboration at its best!"

Interested smokers should call the PACT Program at 748-3531 for more detailed information and registration.

Plumb Memorial Library Shop

The Rochester Shop at the Plumb Memorial Library has new items of interest to Rochester and area residents. Color postcards of various local sites are now available. Postcards are 35 cents each and proceeds benefit the Rochester Historical Society.

The library now has town zoning maps for sale at \$2 each (or \$5 for laminated maps). Proceeds from the sale of maps will benefit the Town of Rochester.

Deep Meadow Bog: Memoirs of a Cape Cod Childhood by Edward Lodi is now on sale at the library for \$12.95. Part of the proceeds from the sale of this book benefits the Friends of the Plumb Library.

In addition to these new items, the library has other Rochester gift items including: ornaments, historic maps, black and white postcards, plates, afghans, books, shirts, and prints. The sale of these items benefits local non-profit organizations, including the Rochester Land Trust, the Rochester Historical Society, and the Rochester Woman's Club.

The Plumb Memorial Library in Rochester can be

This Week's Horoscope

by Linda Black

Weekly Tip: The sun is in Gemini, good for scholastic activity. Gemini brings out our natural curiosity.

Aries (March 21-April 19). Your partner has lots to teach you. You'd be wise to listen and take notes. Pay bills and check on your investments and set out for a good old time.

Taurus (April 20-May 20). There's just too much to do, but if you've planned ahead, you can make it look easy.

Gemini (May 21-June 21). You are awesome. Your brain is functioning marvelously, and you're lucky, too. That's an unbeatable combination.

Cancer (June 22-July 22). Looks like home and family take precedence. Of course they always do, but this time it's special.

Leo (July 23-Aug. 22). You'll learn quickly and easily, so study difficult subjects. These are good days to get your point across, either verbally or in writing.

Virgo (Aug. 23-Sept. 22). Take care of financial matters. You could make quite a bit of money just by getting the paperwork done on time.

Libra (Sept. 23-Oct. 23). You should be in prime form. You're sharp as a tack, charming and vivacious. Start new projects and polish up old ones.

Scorpio (Oct. 24-Nov. 21). Finish up old business, including fixing stuff at home that's broken. Find the solution to your problems by looking farther away than usual.

Sagittarius (Nov. 22-Dec. 21). Get a team to help and your work will be more like play. Don't forget what you're doing, though, because the deadline is coming and no more extensions will be granted.

Capricorn (Dec. 22-Jan. 19). You could do really well financially. Be pushing for raises in pay, promotions, and other work-related benefits.

Aquarius (Jan. 20-Feb. 18). You're looking very good and attracting a lot of attention. Use it to further your fun, by planning a group outing.

Pisces (Feb. 19-March 20). Financial planning is required to get everything you need for your home. Travel and romance look good, not necessarily in that order, though.

If You're Having a Birthday This Week: Fix up your place first so you'll have more time for love. You're lucky in love, though money might be a small problem.

LEGAL NOTICES

NOTICE MATTAPOISETT RESIDENTS WATER MAIN FLUSHING

Water main flushing will be conducted May 17, 1999 through June 11, 1999.

Flushing will begin May 17th at 8:00pm until 2am.

Flushing will be continued May 18th through June 11th during the daylight hours from 9am to 4:30pm.

Discolored water may be expected along with periods of low water pressure in some areas.

Locations most likely to be affected are those South of Route 6 extending from Main Street to Aucoot Road and including Crescent Beach, Point Connett, Hollywoods and Peases Point.

Chlorine will be injected into the system before flushing begins and will continue for a period after flushing is completed.

William T. Nicholson, Superintendent
5/13, 5/20, 5/27, 6/3

LEGAL NOTICES

TOWN OF MATTAPOISETT CONSERVATION COMMISSION NOTICE OF PUBLIC HEARING

The Mattapoisett Conservation Commission will hold a public hearing on Monday, June 14, 1999 at 7:15pm in the Town Hall on the Request for A Determination of Applicability submitted by Andrew McIntire, 3 Mahoney's Lane, Mattapoisett, MA 02739. The proposed project involves the removal of an existing 14'x19' deck and the construction of a 15'x44' deck on a sonotube foundation. The deck will be constructed within the open lawn area, approximately 16' from the top of the coastal bank and within Flood Zone VE (rl. 16). The project is located at 3 Mahoney's Lane, Mattapoisett, MA 02739 and is further identified as Lot 54 on Assessors Map 10. Conservation Commission 05/27

TOWN OF ROCHESTER PLANNING BOARD NOTICE OF PUBLIC HEARING

Notice is hereby given that the Rochester Planning Board will Conduct a public hearing on the petition of James Moreaux for a Form C Subdivision entitled Definitive Plan of Land in Rochester, prepared by SITEC, Inc. that would consist of two lots.

Property is located off Snipatuit Road, Map 41, Lot 6.

Public Hearing is scheduled for Tuesday, June 8, 1999 at 7:30pm in Rochester Town Hall Conference Room.

Robert Cummings, Chairman 5/27, 6/3

TOWN OF ROCHESTER LEGAL NOTICE

Notice is hereby given that the following unclaimed property shall be sold by the Rochester Police Department at public auction on Friday, June 25, 1999 at 10am at Murphy's Auto Salvage, 19 County Road, Rochester, MA. This sale is authorized by the provisions of the Massachusetts General Laws, Chapter 135.

Acushnet Council on Aging

Drivers Wanted

The Acushnet COA is in great need of volunteers who can drive elderly to doctor's appointments. Many seniors are no longer capable of driving due to poor health or age, so making an appointment to see their doctor is a serious problem. If you can help, please call Mr. Contois at 998-0280.

SHINE Representative

The SHINE Representative will be at the Acushnet Senior Center on the first Tuesday of each month and can be reached at 998-0280. If you need help, please call for an appointment and she will also help you fill out fuel assistance forms.

Landscape Donations

If you would like to donate a tree or shrub to help landscape the new Acushnet Senior Center, simply go to the Roseland Nursery and pick out whatever you would like and Roseland will plant it for you at the proper time with a donor tab in memory of whomever you desire to memorialize. The COA is also looking for a retired senior who could teach computer classes to the elderly.

Maine Lobster Bake

A day trip is planned for Sunday, July 25 for a Maine Lobster Bake. Meal, entertainment, and transportation are included in the price and the COA is now taking reservations for this trip. There are still a few seats left.

SHERMAN'S LAGOON

by J.P. Toomey

Eden 748-0225
Landscapes 337 Wareham Rd.
& Garden Center Rte 6, Marion

- Unique landscape design and construction
- Water garden design and installation
- Keystone retaining wall installation
- Complete lawn maintenance

of Rochester to know that the building has been downsized to a maximum of 4,000 square feet and will include the police station and communications center. The price will *not* be more than \$1.2 million, and includes the completed building, landscaping, architect, engineering, and clerk of the works (or job overseer), fees, furnishings, and all equipment for the operation. The site will be on town property on Dexter Lane.

While the committee has been concerned about the costs the building would create in taxes for each resident, they cannot in good conscience recommend a smaller project. Construction costs are relatively fixed at about \$200 per square foot because of public safety code requirements and the present building climate, which favors builders and higher fees. Thus, the only way to diminish costs would be to decrease the building's size ... but a structure significantly less than 4,000 square feet would be outgrown within five years, at which time additions cost twice what they do now. The planned structure is anticipated to last a minimum of 30 years and the committee feels it represents the most cost-effective choice.

Sippican Senior BBQ

A Chicken Barbecue sponsored by Marion VFW Post 2425 for the Sippican Seniors and guests will be held at 1:30 pm on Sunday, June 13 in Marion. Tickets are \$7 and will be available at the May meeting or from Laura Ames (295-0577) or Natalie Sullivan (748-1467).
